# Do you know things that happened for the first time in India?

- Direct income support of Rs 6,000 per year for farmers -12 crore people to benefit.
- 10% reservation for the economically weaker sections (EWS) from the general category.
- Historic rise in Minimum Support Price (MSP) for farmers which is 1.5 times the production cost.
- Surgical Strike – Pakistani terrorists were pursued and killed in Pakistan- occupied territory.
- Almost every household in India now has a bank account.
- Every village in India is now electrified.
- 50 crore people brought under health insurance cover with Ayushman Bharat.
- Demand of One Rank One Pension (OROP) to Indian armed forces fulfilled.
- Sanitation coverage in India increased to 96% - 600 districts in India have been declared Open Defecation Free.
- India launched 104 satellites in one go setting a world record.
- Every government school now has separate toilets for girls.
- India has completed the Nuclear Triad achieving the capability to strike from all three platforms – Land, Sea and Air.
